

STATEMENT OF PURPOSE INSTRUCTIONS

Your personal statement must not exceed two pages, whether single or double-spaced. It will be evaluated on content, style, and grammar.

Your essay may also be used as a writing sample as you apply to internships. Therefore, do not write about one particular agency, as you may want to use the essay for several possible internships. Please submit as a PDF.

Please address the following in your essay:

- Your personal academic and career goals and how the program will fit into those goals
- How your past experiences, academic or otherwise, have prepared you to take advantage of the program
- The type of internship you will seek

If you have any questions, please contact the UCSB Capital Internship Programs staff at eap-capitalinternships@ucsb.edu
